

# Newsletter No.2

# December 2020

What a year!! It certainly has been one for the history books.

So we didn't quite get to our 4 newsletters this year—but we did finally open up the Heritage Centre!

Saturday 23rd September was a beautiful sunny day, and our grand celebrations went off without a hitch, as both The Manawaru Heritage Centre and Community View finally opened to the public.

We are now open Wednesday to Sunday, 10am to 2pm, and so far we have had a brilliant reception.

But now its up to our community—we are looking for anyone who would like to volunteer their time at the centre, either opening up for a rostered day or helping with displays and upkeep. Contact Vicky if you think you can help—or come to our coffee mornings — see below!!

George Armstrong, our Chair, has also published a new book—'The Bridge of Unity'—chronicling some of Manawaru's history and is being sold at the centre for \$20. This is a limited publication so get in quick!!

We hope you all have a restful summer and a Merry Christmas!!

Vicky

Manawaru Heritage Centre Manager

### Become a friend of the Manawaru Heritage Centre:

Being a friend includes:

- Membership of the Manawaru Historical Society
- Four newsletters a year
- Invitations to upcoming events

Annual—\$20
